

Title information

All Wickets Great and Small

In Search of Yorkshire's Grassroots Cricket

By John Fuller

Key features

- John Fuller spent a summer watching county matches and interviewing the key characters within grassroots cricket across the county of Yorkshire
- Fuller is an author and freelance journalist who has written for *The Wisden Cricketer* and *All Out Cricket* and is owner of the popular website, CricketYorkshire.com
- Colour photo section including action images and pictures from the 2015 cricket season
- Publicity campaign and tour planned to reach out to county and cricket clubs of Yorkshire, utilising John's many cricket contacts within the local media

Description

Nowt stops for cricket in Yorkshire. Passion runs deep, beyond those in whites, to the groundsmen, tea ladies, scorers and umpires who embody the game. *All Wickets Great and Small* is a romp across the landscape of amateur cricket in Yorkshire during the summer of 2015. Author John Fuller looks at the key issues affecting the grassroots game: the struggles to attract players, funding shortages, natural disasters and the social dynamics that can threaten a captain's eleven on a Saturday. What shape is the grassroots game in and can it still survive and thrive? From vicars and imams socking sixes in Dewsbury to heritage clubs hitting social media out of the park, this is the story of sleeves-rolled-up cricket at its best in the county that locals call 'God's own'.
