

# Title information

## Girls of Summer

An Ashes Year with the  
England Women's Cricket Team

By David Tossell

### Key features

- First book of its kind to examine the growth and expansion of women's cricket in England, from the very top level
- Includes insight into the national set-up, input from the key players and coaches, after author David Tossell was given unprecedented access by the ECB
- David is an experienced cricket writer and author, who has written 13 books on sport and been nominated five times at the British Sports Book Awards
- Colour photo section including action images of the England team and Ashes series to accompany the text
- Large publicity campaign to reach out to English cricket fans, utilising David's many cricket contacts within broadcast and print sports media

### Description

The year 2015 was a historic one for the England women's cricket team, their first full year as professional players and with every ball of their Ashes series live on television and radio. As the dramatic events of the summer unfolded, David Tossell was given exclusive access to follow at close quarters, from freezing training mornings in the dead of winter to the dressing room and team meetings in the heat of battle against Australia. Under the guidance of a coach who cared deeply about their performance and welfare, a diverse group of girls came together in the pursuit of international glory and personal achievement, united by a remarkable love for each other and a passion for their profession. As *The Girls of Summer* reveals, they would need every piece of resilience and resolve those bonds could offer. With a foreword by England captain Charlotte Edwards.
