Description

The Secret Caddy is the story of the 2023 DP World Tour season from the unique perspective of a veteran tour caddy. The Secret Caddy started caddying at their local golf club when they should have been at school. Eventually, they ended up caddying on the European Tour (now the DP World Tour), where they have worked ever since. This is the story of their life inside the ropes during the 2023 season as the DP World Tour criss-crossed the globe from South Africa and Australia, through the Middle East, Asia, the Far East, the US and Europe, in what was the most tumultuous year ever in professional golf. Get a unique insight into what it's really like to be a tour caddy. What it's like to walk alongside some of the best players on the planet. What it's like to be in contention down the stretch on Sunday, and what happens when things go wrong. Why tour caddies have zero job security but wouldn't swap their job for yours for all the tea in China. And why you should absolutely not even think about swapping yours for theirs.
