- It will be featured in the Racing Post newspaper upon release and promoted both in the paper and by email to their many thousands of subscribers
- The list is compiled by Raceform's expert race-readers
- Will be featured in the *Racing Post* newspaper upon release and promoted both in the paper and by email to their many thousands of subscribers

#### Description

Now in its 60th year, this popular guide to jumps racing summarises the prospects of 100 steeplechasers and hurdlers who Raceform's expert race-readers expect to do particularly well in the coming 2021-22 season. The title has a long history of identifying winners and last year's edition produced 104 winners, with a strike-rate of 26 per cent, and 25 Grade-One winners. The Big-Priced winners included Young Lieutenant 20/1, Sporting John 14/1, Getaround 10/1, Chantry House, Minella Indo 9/1 and Deise Aba 17/2. It includes the names and details of each of the 100 horses plus information about their previous form and is an invaluable pocket-sized tool for followers of racing. Rodney Pettinga has been the product manager for Raceform Interactive since 2001. He was responsible for *By The Numbers* and *Big Race Trends* for the *Racing & Football Outlook* for many years and has also been a regular contributor to the *Racing Post*.
