Description

Always Believe is the gripping autobiography of Chelsea, Arsenal and France star Olivier Giroud, a player who's done it all for club and country. Join him on a remarkable journey, from playing for a small club in southern France to achieving top-flight glory there and in England before lifting the World Cup with the French national team. Giroud shot to prominence in 2011/12 as the top scorer in France's Ligue 1, helping Montpellier to their first-ever top-flight title. After signing for Arsenal in 2012, he rewarded the Gunners with 73 goals in 180 games and helped them to three FA Cup wins. A move to Chelsea brought him a fourth FA Cup-winner's medal along with European glory. Now at AC Milan, Giroud is still hungry for success. But what about the sacrifices he's made along the way? The pressures of being under the spotlight and having to cope with a constant stream of criticism and questions around his selection for the national side? Usually a private person, Giroud holds nothing back as he shares all the highs and lows of a stellar career at the game's top level in this tell-all book.
