## Description

How much do you really know about the club you love? You can find out by exploring the 1,000 questions set out in 100 categories that make up this Wolverhampton Wanderers quiz book. It's not often that books on football make reference to Sherlock Holmes, Led Zeppelin, the Grand National, Donald Trump, *The Goon Show*, Premium Bonds, Monty Python, golf and Homer Simpson, but this one does! *Call Yourself a Wolves Fan?* is a quirky, challenging affair for real Wolves fans who can test themselves or take each other on, with the emphasis on enjoyment and discovery. Try these for size: *One member of the Wolves side that won the League Cup in 1980 by beating Nottingham Forest had a surname shared with a player on the opposing team, what was it? In this century, Wolves have had two goalkeepers at the same time with the same surname and the same first initial, who were they?* You will struggle to find anything as comprehensive as this eclectic collection. It's a must for Wolves fans of all ages and you might not see anything quite like it again.
