The Toffees' Fifty Finest Matches

By Jim Keoghan

Key features

- The first time Everton's story has been told through the prism of 50 of the club's greatest moments
- Part of the popular, successful and ever-growing *Greatest Games* series
- Includes the unique perspective of those who scored goals, who lifted trophies, and shaped Everton's narrative
- A story that will appeal to Evertonians of any age
- Written by Jim Keoghan, respected author of *Highs, Lows and Bakayokos*, the story of Everton in the 1990s
- Includes contemporary and historic images of club legends in action
- Planned publicity campaign aimed at Everton fans including radio, newspapers, websites and magazines

Description

Evertonians know what it is to experience greatness. Since the club first came to life in 1878 there have been titles won, European adventures and trips to Wembley. The fans have seen records broken, legends make their mark, matches of undeniable class. Every decade that Everton have been in existence has yielded moments of wonder, games that supporters at the time have cherished for their entire lives and which fans of subsequent generations have looked back on with undeniable pride. From the earliest days, when St Domingo's first morphed into something recognisable as a modern football club, the whole span of Everton's narrative is covered here. Those earliest title wins, those earliest finals, Dean, Lawton, Hickson, the Holy Trinity, Latchford, the glory of Kendall, the agony of Wimbledon, the joy of Royle and restoration under Moyes. *Everton Greatest Games* is more than just a selection of the moments that have stirred the soul of Blues. It is the story of Everton, the tale of how a church team grew into an English giant.
