Description

The brutal 2010 murders of promising footballer Eddie Moussa and his brother were a harbinger of the gang violence now laying siege to Sweden. Written by crime reporter Ann Törnkvist, *Follow Fucking Orders* captures the freefall of a quaint town, known for its sports-crazed community and top-league football team, into a bloody turf war. After the biggest police investigation into organised crime in Swedish history, the local mob boss was sentenced to life for ordering the hit on Eddie. Author Ann Törnkvist followed the gripping story for five years, securing unique access to families who had fled into the witness protection programme. In 2016, the mob boss tried to derail this book's publication by threatening to have her killed. Undeterred, Törnkvist published *Follow Fucking Orders* in Sweden in 2018. The first edition sold out within a week and soon became the most popular book in the country's maximum-security prisons. Ultimately, the book offers a chilling reminder that true crime has no last chapter.
