#### **Description**

*My Arsenal Life* is the story of the lost world of Arsenal's post-war history viewed through the lens of lifelong super-fan Martin Wengrow, a friend and confidant to legendary players and managers from the 1960s to the late 1990s. This is the story of a boy who dreamed of Arsenal and Saturday afternoons, and who grew up to find himself at the heart of the club he loved and passionately supported. The son of immigrant parents who lost their entire extended family in the Holocaust, Martin soon found himself in a world centred on Highbury, where lifelong friendships with his heroes like McLintock, Storey, Radford, Graham and O'Leary would take him behind the scenes and give him a unique perspective on some of the greatest moments in the club's post-war history. *My Arsenal Life* brings you all the highs and lows of the club's latter 20th-century history from a unique insider's perspective. The kind of access Martin enjoyed would be impossible in today's game. This is *his* Arsenal life!
