#### Description

*Not Even in Brazil: Liverpool in 1987/88* is the rip-roaring story of one of the greatest teams in both Liverpool FC and British football history. Under the stewardship of 'The King' Kenny Dalglish, Liverpool strode to the league title with a side featuring such legends as John Barnes, Peter Beardsley and John Aldridge, playing a style of football never forgotten by those lucky enough to witness it. After seeing Liverpool demolish Brian Clough's Nottingham Forest at Anfield, Sir Tom Finney declared that it was one of the finest exhibitions of football he'd ever seen, one that couldn't be bettered, 'not even in Brazil'. This is the story of that season, the incredible games, glorious goals and brilliant players that remain in the hearts of the Kop to this day. This book charts the building of that magnificent side – a side that deserves its place, alongside Arsenal's 'Invincibles' and both Manchester treble-winners, as one of the greatest in English football history.
