

Title information

Rise of a New Dynasty

FC Barcelona Femini's Emerging Legacy

By Abdullah Abdullah

Key features

- In-depth tactical analysis of the team's offensive and defensive structure over the years
- Narrative built around the club's ethos and how the current club strategy has resulted in success for the women's team
- Focus on the key players in the current system and their contributions
- Interviews with players and women's football journalists provide special insight into the team
- Fourth book by tactical analyst Abdullah Abdullah, whose writing is tactically focused, yet easy to understand
- Publicity campaign planned including radio, newspapers, websites, podcasts and magazines

Description

The Catalan Project charts FC Barcelona Femini's journey from 2019 to 2023 with in-depth tactical analysis and player interviews. Barcelona is an iconic brand in European and world football, and the men's team's success has been mirrored by the achievements of the women's team, creating a sense of unity throughout the club. Barcelona Femini has emerged as one of Europe's most dominant forces of recent times, winning the UEFA Women's Champions League in 2021 and again in 2023 to solidify their legacy. The book explores the factors behind their sustained growth, analysing the tactics and strategies that led to their success in Europe. It highlights the contributions of Ballon d'Or winner Alexia Putellas, as well as other superstars like Caroline Graham Hansen and Aitana Bonmati, and examines how they came together as a cohesive unit to conquer Europe.
