#### Description

The Rugby World Cup has only been in existence since 1987, yet already it is established as the sport's premier competition - six weeks of frenzied action which entrances all the rugby-playing nations. The tournament has thrown up countless memorable matches, introduced us to amazing players and witnessed some incredible scores - from Michael Jones scoring the first World Cup try to the legendary All Blacks regaining the trophy in a titanic struggle with France 24 years later. In between we have witnessed two triumphs each for Australia and South Africa, and of course England's sole victory for a Northern Hemisphere side. To date. Relive France's spectacular wins over Australia and New Zealand; Argentina's repeated upsetting of the world order; last-minute drop goals by Joel Stransky and Jonny Wilkinson, and the sheer exuberance of the Pacific Islanders - in a Rugby World Cup history which will appeal to fans of every nation.
