- Captures the views and memories of Scotland players and managers over the decades
- Also encompasses the perspective of opposition players
- Explores the influence of fans on the Scotland national team's identity
- Publicity campaign planned including radio, newspapers, websites, podcasts and magazines

Description

Scotland 101 captures a flavour of all aspects of supporting Scotland, exploring the good and the bad, the highs and the lows, the joy and the sorrow. There are days Scotland fans will remember forever and days they'd rather forget – from Archie Gemmill's dribble around the Dutch in 1978 to Gary McAllister's penalty miss in 1996. There's the 9-3 defeat to England in 1961, but there's also Jim Baxter taking the mickey out of them in 1967; Jimmy Cowan's heroics at Wembley in 1949 and Estonia's no-show in Tallinn in 1996. Sometimes we're not even sure if an event was good or bad, like Tommy Gemmill kicking Haller up the backside or the Tartan Army invading Wembley and breaking the crossbar. There's hope and expectation. But there's also despair and disaster. *Scotland 101* is your guide to those moments that make following Scotland an adventure like no other.
