#### Description

*Spice Up Your Life: Liverpool, the 90s and Roy Evans* is the fascinating story of arguably the most significant decade in the long history of Liverpool FC. After the Reds' most dominant and successful decade in the 1980s, the early 90s saw a rapid decline in the club's fortunes under the stewardship of Liverpool icon Graeme Souness, who was sacked in January 1994. *Spice Up Your Life* charts the gradual renaissance at Anfield under Souness's replacement and long-term boot-room member Roy Evans, the much-adored 3-5-2 formation, the infamous 'Spice Boys' moniker and the revitalisation of a football club that looked to be in freefall. The book explores the emergence of many of Anfield's youngest and brightest stars – from Steve McManaman to Jamie Redknapp, Robbie Fowler to Michael Owen – and credits Evans, as the last Liverpool manager from the legendary boot room, for bringing the Merseyside club back to prominence and ready to retake its perch at the top of English football.
