### Description

*The Conquerors* charts the rise, fall and resurgence of AC Milan across one of the club's most legendary eras. Fresh from a coaching baptism of fire at either end of the top Italian divisions, former club favourite Carlo Ancelotti returned to a then-disjointed *Rossoneri* dressing room as first-team manager in 2001. Out of sorts, out of form and out of touch with the standards set by the side in Ancelotti's day, AC Milan found a much-needed stabilising influence in the new coach, who helped them through a phase of transition. Though his impact wasn't immediate, nor without its share of dissenters, Ancelotti would ultimately return the team to its former glory. *The Conquerors* is a homage to one of the greatest club sides in football history. It's a story of incredible talent, iconic moments and the kind of improbable redemption usually reserved for Hollywood movie scripts.
