Description

The Joshua Files traces the story of Britain's latest heavyweight hero from the building site to the top of the boxing world and beyond. Anthony Joshua's fight with Wladimir Klitschko, in front of 90,000 fans at Wembley Stadium, transformed the fighter not only into a national hero but also a global star. Having worked as a boxing journalist for almost 30 years for *Boxing News*, *Boxing Monthly* and Sky Sports, Matt Bozeat was perfectly placed to follow Joshua from a ringside seat from the very start of his professional career. Joshua turned pro soon after winning gold at the London Olympics in 2012, and has since surpassed all expectations, going on to dominate the division with a 100 per cent KO record. *The Joshua Files* tells exactly how he fought his way to the top, through revealing and insightful interviews with the fighter himself, as well as with the boxing experts, trainers, sparring partners and opponents who have the closest insider knowledge of Anthony's incredible rise.
