

Title information

The Power and the Glory

Senna, Prost and F1's Golden Era

By David Sedgwick

Key features

- Comprehensively covers the careers of Ayrton Senna and Alain Prost from 1980-93, a golden era when the pair dominated motor racing
- Gripping, atmospheric accounts of key races
- Unforgettable, iconic encounters of interest to motor racing enthusiasts together with a wider sporting audience
- Expert analysis of the key 1988 and 1989 seasons, and the first account of the 1984 Nurburgring Race of Champions
- Written by David Sedgwick, author of *Pironi* and regular contributor to Motorsport.com, the number 1 global motor-racing website
- Colour photo section includes never-before-published images from throughout the careers of both drivers

Description

Set amid the glamour and bravado of 1980s Formula 1, *The Power and the Glory* tells the story of a rivalry unsurpassed in motor-racing history. By the mid-80s Alain Prost had firmly established himself as leader of the F1 pack. Winning Grands Prix almost at will, the French ace radiated invincibility. But then came the emergence of Ayrton Senna, sparking a decade-long battle for supremacy out on the track. Although chalk and cheese in terms of character and background, the two men were driven by the same burning desire: to become Formula 1's heavyweight champion of the world, its undisputed king. Senna and Prost would both go on to win multiple world championships in what was a golden era for F1 racing. Their Suzuka showdowns of 1988-90 attracted record worldwide audiences and popularised the sport as never before. An intimate portrait of two unique competitors, *The Power and the Glory* is a supercharged story of acrimony and sheer ambition.
