#### Description

*We Conquered All of Europe: Red Odyssey II* charts the re-emergence of Liverpool FC as one of the most feared and respected teams in European football. In 2015, Jurgen Klopp arrived at Anfield and set about rebuilding a sporting empire. In order to succeed he would need to transform its legions of fans from doubters into believers – and, in the process, would take them on the greatest of sporting odysseys. Jeff Goulding chronicles the whole journey through the eyes of the people who lived it, the supporters. Also included are key insights from former players, as well as eyewitness accounts of some of the most incredible moments of the Klopp era. Relive the humbling of Barcelona's Messi and Suarez. Absorb the electric atmosphere on the Kop as the Reds pulled off the seemingly impossible, and journey with the fans as they conquered all of Europe. *Red Odyssey II* takes the reader through it all – the highs and the lows – and describes how Klopp awakened one of football's sleeping giants.
