

## Title information

### When the Sky Was Blue

The Inside Story of Coventry City's Premier League Years

By Rich Chamberlain

#### Key features

- Fresh interviews with key figures from Coventry City's nine Premier League seasons, including Ron Atkinson, Gordon Strachan, Bryan Richardson and many more
- Interviews with key individuals from the media of the period, such as BBC's Stuart Linnell and Rob Gurney and the *Coventry Telegraph's* Andy Turner
- Packed with colourful tales every Coventry City fan will want to hear
- Author is an experienced feature journalist who has written for magazines such as *Classic Rock*, *Metal Hammer* and *FourFourTwo*
- Publicity campaign planned including radio, newspapers, websites, podcasts and magazines

#### Description

*When the Sky Was Blue* celebrates Coventry City's nine-season adventure in the Premier League, from founder members to relegation, through a compelling array of brand-new interviews with managers, players and other key figures from the time. While not the most glamorous club to have played in the division, few can match the Sky Blues for madcap tales. This book tells those stories through the memories of those who were there. Hear how Bobby Gould's decision to hold pre-season in an army barracks led to near-death experiences and career-ending injury. Savour the glitz and glamour of Ron Atkinson's whirlwind spell at Highfield Road. Relive Gordon Strachan making Robbie Keane Britain's most expensive teenager. Oh, and there's also those heart-stopping relegation battles, FA Cup heartbreak and the time Coventry City became 'The Entertainers'.

#### Details
